April 2021

Homeless problem continues in San Lorenzo. I am now considering the Lawn Bowling Club filing an ADA complaint against the city. We are no longer able to drive into the park because of city liability issues. This effectively eliminates access for mobility limited. We have worked to be inclusive in our membership purchasing wheelchair access ramp, adaptive equipment and opening the green to Hope services and their families. This has now been precluded by not allowing private vehicles to drive to the green due to a situation which the city has let fester. I am in talks with Parks and city attorney and have agreed not to file until after March 30 when federal judge makes next ruling. The hope is that she will allow the encampment to be moved to the bench land. On a more pleasant note, Police Chief Mills has agreed to work with Stephen to eliminate the citation he was given. This month we are scheduled to do our spring cleaning on Friday April 16, 9-1. Lunch will be provided. If you are able to come for only an hour, please do so. We can use your help. If you are unable to join us but willing to help, please let me know I can give you some ideas on tasks that need to be addressed. If you are interested in playing in the pairs tournament sign up before March 25 so Aumao can design the teams and schedule. Conditions of play are posted below. Cleaning for April is Dave Sievert

Thanks: To Earl for brushing the green on Feb 24; to Jesse, John B, Dave, Famy, Stephen and Gustav for green maintenance

Focal Point: I enjoyed this article on finding the correct line. That is always one of our biggest challenges and everyone seems to have their own method. This coach does a nice job of explaining.
