## 2012 Goals:

### Personnel

1. To increase membership to 65 full members. We are at 63 members on our roster- very close to our goal.
2. To provide increased training opportunities.. DONE
3. To host another club for visitation. Holmby Hills, August 14. DONE

### Facility

1. To pursue purchase of better brushing machine to improve green maintenance. DONE
  2. To obtain pricing and source for table replacement. Six portable tables purchased. DONE
  3. To purchase additional set of bowls, size 2 or 3 for club inventory. DONE.
2. To update bowls collection with purchase of 2 sets : DONE

Finances- To transfer \$5000 to green fund. Money applied to purchase of brushing machine.

## 2013 Goals:

### Personnel

1. To increase membership to 65 full members. We always expect some attrition due to health and other circumstances and I expect our roster to drop back to about 50 in 2013. If we can move beyond the 65 member threshold, I will be very pleased.

### Facility

1. To get the area between the club house and the machine storage shed paved. The 4" drop makes getting the machine in and out difficult and risks potential damage. Stephen has a very ingenious ramp system but we need to improve conditions. We have already begun talks with the city.

Finances- To transfer \$5000 to green fund.

**Dual Members:** Once I again, I want to express my sincere thanks to our dual members for supporting our club. For many of you, the trip to Santa Cruz is a good distance and the drive over Hwy 17 can be arduous. Remember that the Hotel Paradox does offer a lawn bowlers discount (code on our website) and they have also run some great deals through "Living Social" if you wish to stay. We welcome you to use our green at any time and participate in any of our club events. We'd love to have you join us for the Christmas party. We look forward to seeing you again in 2013. Our parking situation has improved with parking available at the Paradox. I can provide parking passes if you need. Weekend parking is available in the courthouse lot.

**Membership Drive:** In coming year we will focus more on the people that come to us rather than trying to recruit one on one. We have established relationships with Earth Day, Hot Rods in the Park, Park and Rec classes, Groupon and Living Social. In the past year, these venues have brought the many people to our green and resulted in our best sources of new members. We sponsored our second "Living Social" promotion Oct. 31 through Nov 13 through which several memberships were purchased. We also ran a 1/4 page ad in the Santa Cruz Sentinel Senior advertising supplement on Nov. 11. We are noticing that a full green during draw games always attracts attention. In a recent draw, we had 3 pairs and rather than the usual triple, we played 2 cut throats which allowed five rinks to be in use. We had six curious people stop by the green and leave with pamphlets. Just by showing up for the draw, you are helping to recruit! We will be including membership as an agenda item at every meeting and in every newsletter.

**Winter Games:** The BBC was very successful with almost 50 singles matches being played. We will be having another extended tournament February-March. Format will be announced at the January Quarterly meeting
