

Santa Cruz Lawn Bowls Newsletter 2013

Just finishing our January attendance records which show the best January since we've started keeping records in 2009. We averaged 14.2 at draw games for a total of 255 games played. Wonderful beginning to 2013! Welcome back to Mary Jane and Jim Chambers and to Ben James. All were former members who have suffered some health issues and have rejoined the club for 2013. On February 16, Allan prepared a fantastic black bean taco lunch pre-draw. It was delicious so if you didn't get a chance to attend, hope you will be able to join us next time.

Goals 2013:

Personnel

To have a roster of 65 members - We have been working with other clubs (Holmby Hills and San Jose) on membership ideas. Our roster currently stands at 51 which includes our dual and lifetime members.

Facility

To have area in front of rake shed paved. Have been talking with Andrew Eisenberg from city. Will keep you advised on the progress of this goal.

Finances

To increase green fund by \$5000 - Looking like a very possible goal. We have a good January income from the Dollar Jar, beverage sales, Big Al's lunch and tournament fees.

Dual Members: Thanks to the dual members for renewing their memberships. Hope you will be able to join us for lunch and game on Sunday, April 28.

Membership: We will be running our next Groupon promotion February 22-25. We will be selling 3 and 6 month membership packages for 2 and 4 people with a one time pizza lunch. Our sales rep, Ken Forbord, has put together a very nice package for us. Ken, of course, hope for big numbers which will increase his commission. At the very least it will be a good fundraiser. At best, I hope we have numbers that make it necessary for us to ask some of you to help by hosting a lunch or working with guests. We are also researching the use of Google Ad words to recruit new members. Will have to keep you advised on this as I am working with a Google consultant to create our ads.
