May 2022

Friendship Games in San Jose and Palo Alto will occur on the 2nd (6th) and third (20th) Wednesdays of this month. There is a signup sheet on the draw table for those interested in going. Car pooling will be available-contact David or Christine for details. San Jose has a synthetic green similar to ours and Palo Alto is grass.

Club apparel with embroidered logos will soon be available. They are to be printed locally at Catto's Apparel. We can purchase shirts from them or you may bring in your own clothing to be embroidered. Approved colors are white, red, black or combos of each. More details will be available soon.

We will be hosting a club fund raising event for the **Grand Jury** on Friday, April 22 from 9am to 11:30 am and will need 4 coaches to help out. Please contact David or Christine for more information.

clubhouse cleaning duties while Earl is on vacation and also serving up treats after the Thursday draws (for years!); Aumao for arranging the “Opening Day” games.

Focal Point: "Delivery" A short video on common delivery errors from Australia. Lots of good tips and reminders in this one.
